PIXMA TS5350 series

# CHIC 3-IN-1 FOR THE SMARTPHONE SAVVY

Stickers, magnets and crafts – unleash your creativity with a huge range of medias and apps. With easy connectivity, simplified OLED display, LED status bar and first-class FINE cartridges, this chic printer packs a punch for the smartphone-savvy.

- **Style credentials**
  An ultra-cool 2-tone colour scheme and a chic minimalist design with LED status bar give this printer some solid style points
- **There's an app for that**
  Print, scan, copy and connect to Facebook, Instagram and other cloud* accounts from your smartphone using the Canon PRINT app, or print app-free with AirPrint (iOS) and Mopria (Android)
- **Make it your own**
  Transform your next project with Easy-PhotoPrint Editor, Creative Park and Message In Print and try out restickable, double-sided matte and iron-on transfer media
- **Shareworthy snaps**
  Get picture-perfect photos with up to 100 years of album life thanks to FINE cartridges and the ChromaLife100 ink system. The 5x5" and 3.5x3.5" media are ideal for social media snaps
- **Hassle-free**
  Get to grips with your printer with easy set-up, a simple 1.44" OLED display and connect all your smart devices at the touch of a button with Wireless Connect

* Scan to cloud is only available to genuine Canon ink users

**Footnotes**

[1] Ink droplets can be placed with a minimum pitch of 1/4800 inch

[2] Document print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734.
Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer.

[3] Declared yield value in accordance with ISO/IEC 24711 standard. Values obtained by continuous printing.

[4] Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard.

[5] Copy speeds are the average of sFCOT and sESAT, ISO/IEC 29183.
Copy speed may vary depending on document complexity, copy mode, page coverage, type of paper used etc. and does not take into account warming up time.

[6] Acoustic Noise is measured based on ISO7779 standard (colour printing) with default setting.

[7] When copying ISO/JIS-SCID N2 (printed by inkjet printer) on A4 size plain paper using default settings.

[8] Some colours may not be available in your region.

**Standard disclaimers**

All specifications subject to change without notice.
Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc.
Ink yield may vary depending on texts/photos printed, applications software used, print mode and type of paper used. For yield information see www.canon-europe.com/ink/yield
Scan speed may vary depending on system configuration, interface, software, scan mode settings and document size etc.
